Brightdot Media is proud to announce the 3rd Annual Sekhukhune Women's Summit & Community Awards 2026, which will take place on Saturday, 14 November 2026 in Limpopo Province under the inspiring theme, "We Are Stronger and More Powerful Than Before."

The summit has become one of Limpopo's leading platforms dedicated to empowering women, promoting leadership, recognising excellence, and strengthening community partnerships. The 2026 edition will bring together women from diverse sectors, including business, government, education, healthcare, mining, agriculture, civil society, academia, and community organisations to engage in meaningful dialogue, share knowledge, and celebrate achievements.

This year's theme reflects the resilience, determination, and leadership of women who continue to overcome challenges, create opportunities, and shape stronger communities. It is a celebration of progress while reaffirming a shared commitment to advancing gender equality, economic inclusion, entrepreneurship, and community development.

The summit programme will feature keynote addresses, leadership discussions, entrepreneurship and business development sessions, networking opportunities, exhibitions by women-owned enterprises, and inspirational presentations from accomplished leaders and changemakers.

The event will conclude with the Sekhukhune Community Awards, recognising exceptional women, youth leaders, businesses, professionals, organisations, and community champions whose dedication continues to make a positive impact across Sekhukhune District and the broader Limpopo Province.

Award categories will honour excellence in entrepreneurship, education, healthcare, agriculture, mining, youth leadership, social innovation, community development, humanitarian service, and lifetime achievement, among others.
